Welcome FFA members, advisors, and guests:

The time to create **your story** at the 91st New Jersey State FFA Convention has finally come. Throughout this past year, we have had numerous experiences that have allowed us to begin our story in FFA and agriculture. As we venture through this convention, while we may not be together we can still try new things, and make some new memories. Make the most of the opportunities you have here and create a story you want to tell others.

This is a perfect opportunity to leave **your legacy** for others. Put your best self forward in everything you do. This is your chance to be remembered, so take it! We hope that convention allows you to continue your story and build your legacy.

Sincerely,

Jamie Specca

#### FFA MISSION STATEMENT

FFA makes a positive difference in the lives of students by developing their potential for premier leadership, personal growth and career success through agricultural education.

# **DEFINITION OF SUPERVISED AGRICULTURAL EXPERIENCE – SAE**(Structured Learning Experience)

Supervised Agricultural Experience (SAE) is a student led, instructor supervised, work-based learning experience that results in measurable outcomes within predefined, agreed upon set of Agriculture, Food and Natural Resources (AFNR) Technical Standards and Career Ready Practices aligned to a career plan of study.

#### SAE is a...

- Career exploration and planning system for all students.
- Student-led, teacher-supervised path to college and career readiness
- Tool for measuring student progress toward college and career readiness
- Method for authentically enhancing the high school experience
- · Small business incubator for young entrepreneurs
- Path to connect students to STEM careers and mentors
- Critical component of a comprehensive Career and Technical Education (CTE) program.
